

1.8 Side View

Super slim, flexible linear lighting

Delivers a soft, uniform glow with 140 LEDs per meter. Designed to fit into narrow spaces, the flat, bendable design adds a sleek, modern touch. Perfect for creating cozy architectural accents or stylish lighting in bars, these lights stand out and can be easily cut to size for simple installation.

Slim

Effortlessly slides into tight gaps, enhancing the style and sophistication of any space.

Uniform

The semi-transparent material provides a softer, more even light distribution.

Cuttable

Freely cut to size for easier use and hassle-free installation

Brighten hard-to-reach places.

Delivering a smooth, soft glow that fits anywhere.
